PACKING/PLANNING FOR YOUR TRIP!

Howdy from Colorado! We thought the following might be helpful in packing and planning for your vacation at Cherokee Park Ranch this summer.

WEATHER:

The climate is dry and the air is relatively thin; our elevation is 7,200 feet. The daytime temperatures will range from the mid 70's to the mid 80's. The evening temps will range from the high 40's to the low 60's. Because we don't have a very high humidity level, our temps will feel cooler. It is perfect horseback riding weather!

ARRIVING/DEPARTURE:

Our check-in time is any time AFTER 3 pm on your arriving date. Check-out time is 10 am on your departing date. There is no horseback riding offered on arrival/departure days. We are only 1 hour and 40 minutes from the Denver International Airport. Please try to budget your time as to allow you to arrive anytime AFTER 3 PM. Ft. Collins is the closest town to us, so be sure to stop there to pick up anything you may have forgotten to pack. Our gate will be opened at 3 PM.

ALCOHOL: You are welcome to bring your own. We do sell beer/wine each evening at our Saddle Sore Saloon to those 21 years and older.

RIDING: We are a BYOH (**bring your own helmet**) ranch. You don't have to wear a helmet...but if you want to wear one, you must bring your own. Absolutely **NO DEEP CLEATED HIKING BOOTS**. Riding boots or an ankle high type shoe with a heel are recommended. Please don't think that you must go and buy a pair of riding boots just to come out to our ranch. For safety reasons our insurance company wants us to urge you to wear the proper riding attire, but most guests do fine with a pair of tennis shoes. If you should buy new boots, be sure to break them in before your visit. Blisters are no fun!!!

CLOTHING:

We have a **guest laundry with coin operated washer/dryers**. The dress of the day will always be casual and comfortable outdoor wear. Since our nights may get down below 50 degrees, be sure to bring the following cool weather gear: sweater, jacket, light gloves, hat, or baseball cap. On the other extreme, days will normally be between 70-80 degrees, so don't forget: swimsuit, short-sleeve shirts, tennis shoes, sunscreen, chapstick, and flashlight. You are dressed perfectly here in a pair of **JEANS!! DO NOT BRING ANY TOWELS OR SLEEPING BAGS...WE'LL PROVIDE THESE!**

TRANSPORTATION OPTIONS:

*****Should you use any of the door to door options, you will not be able to participate in our OFF ranch activities (river rafting, boat trip, or guided mountain hike) as they all require that you transport yourself.**

You will definitely need to bring your bathing suit and either boat shoes or an old pair of tennis shoes that you don't mind getting wet. You may not raft barefoot.

Book your rafting trip with RMA at info@shoprma.com prior to arriving at our ranch.
